Dear Sir:

This paper is in response to the Examiner's election requirement dated February 10, 2004. In the Office Action, the Examiner states that the subject application contains claims directed to the following patentably distinct species of the claimed invention: Species I is depicted in figures 4-6; Species II is depicted in figure 7; Species III is depicted in figure 8; Species IV is depicted in figure 9. The Examiner further states that claims 2-6 and 10 are generic to species I, II and III.

In response to the election requirement, Applicant hereby provisionally elects Species I, which is depicted in figures 4-6, and claims 2-6 and 10. However, Applicant's election is made with traverse and reconsideration is respectfully requested.

Applicant's view of the instant application is that claims 1 and 3-10 are directed to the Species I, II, and III, and claims 2 and 11-17 are directed to species IV. Accordingly, Applicant respectfully requests modification of the election requirement. If the Examiner agrees with Applicant, Applicant wishes to provisionally elect Species I and claims 1, 3-6 and 10.

An action on the merits of all the claims and a Notice of Allowance thereof are respectfully requested.

Applicant hereby authorizes the Commissioner of Patents to charges any fees necessary to complete this filing, including any fees required under 37 C.F.R. §1.136 for any necessary Extension of Time to make the filing of the attached documents timely, or credit any overpayment in fees, to Deposit Account No. 50-0911. Further, if these papers are not considered timely filed, then a petition is hereby made under 37 C.F.R. §1.136 for the necessary extension of time. A copy of this sheet is enclosed.

Dated: April 12, 2004
